Ref Number: 88-DMU/CIR/2022/21
Date: 17 April 2022
To: General Managers of all registered accommodation facilities
Subject: Reminder: Strengthening Safety Protocols for all water- based activities

Dear Sir/ Madam,

With reference to our Circular No: 88-SS/CIR/2022/7 dated 27 January 2022 and due to the recent increase in incidents related to water-based activities, we would like to once again remind all tourist facilities to be vigilant and take precautionary measures especially in relation to swimming, snorkeling, diving and other water-based activities.

In this regard, please;

- 1) Conduct general safety briefing during guest check-in and detailed safety briefing before commencing any water-based activity.
- 2) Conduct regular trainings and awareness session for staff involved in water sports activities and remind them to be cautious.
- 3) Encourage staff to adhere to work safety protocols and conduct regular training on safety aspects.

We would like to take this opportunity to thank the management for all tourist facilities for the continued support and cooperation extended to us at all times to create a safe and secure environment for all tourists and staff working in the industry.

Yours Sincerely,

Malaka Abdul Hameed
Director
